- Personal Injury Plaintiff: General

I am honored to be chosen by *Texas Super Lawyers*. Our practice focuses on helping people. When I meet with my clients, I am learning their story and envisioning jury selection and the opening statement. We have been fortunate enough to enjoy success for our clients in settlements and trial, and that comes from knowing our clients, preparing thoroughly, and making sure our clients and their families are heard. Every client has a powerful story, we strive to find that story and give our clients a voice. Our aggressive and thorough approach helps us maximize recoveries and justice for our clients and their families.
